

## REMARKS

This Amendment and modified "Listing of Claims" is in response to rejection of claims 6 and 7 made by the Examiner in December 4, 2003 amendment which applicants inadvertently failed to respond to in the Amendment mailed February 19, 2004.

Pursuant to the Communication mailed March 31, 2004 seeking to supply the omission or correction of subject matter not addressed (i.e., 35 USC §112 rejection of claims 6 and 7), applicants have now amended claims 6 and 7 as indicated in the newly supported "Listing of Claims".

Specifically, claim 6 now is amended to refer to claim 1 and thus now does constitute a proper composition claim and claim 7 has been amended to define what is meant by 0.0001 wt. to wt. percent (supported, for example, at page 3, lines 20-27).

Since the "Listing of Claims" is identical to previously submitted "Listing" except for claims 6 and 7, all amendments and identifiers are the same except for amendments and identifiers to claims 6 and 7.

It is believed all issues noted have now been addressed, and it is respectfully requested all claims now pending be allowed.

If a telephone conversation would be of assistance in advancing prosecution of the subject application, applicants' undersigned attorney invites the Examiner to telephone him at the number provided.

Respectfully submitted
